Visit the site: http://bluetronix.net/sitemap.htm

Locate the subtitle "Bluetronix Swarm Demonstrations". There are links for both the simulation and emulation demos. Click on the link of interest.

Click on the images to run the demos. Emulation demos may take few minutes to download.

In case of emulation, please read visualizer guides for detail information about both the Console Matrix Based and 3D visualizer demos. The visualizer guides for both the demos will also be displayed during the run.
